Termux:Styling

This addon provides color schemes and fonts to customize the appearance of your Termux terminal.

Installation

Download add-on from F-Droid🖉

Important: Do not mix installations of Termux and Addons between Google Play and F-Droid. They are presented at these portals for your convenience. There are compatibility issues when mixing installations from these Internet portals. This is because each download website uses a specific key for keysigning Termux and Addons.
