Hardware Keyboard

Jump to: <u>navigation</u>, <u>search</u>

The following shortcuts are available when using Termux with a hardware (e.g. bluetooth) keyboard by combining them with Ctrl+Alt:

- 'C' → Create new session
- 'R' → Rename current session
- Down arrow (or 'N') → Next session
- Up arrow (or 'P') → Previous session
- Right arrow → Open drawer
- Left arrow → Close drawer
- 'M' → Show menu
- 'U' → Select URL
- 'V' → Paste
- +/- → Adjust text size
- 1-9 → Go to numbered session
